### MapMyIndia Launches Handheld GPS; Tata Indicom Launches Photon+ In Delhi

COITEITSUTRA.COM (Jun 22 2009)

[Explore Article](#)

MapMyIndia, a leading maps and GPS Navigation services provider, today launched a handheld GPS navigation device named MapMyIndia Light. Smaller and sleeker than the earlier offerings typically seen fitted in automobiles, the latest product is a handheld and weighs only 122 grams. "MapmyIndia Light is powered with maps of 401 cities, over 8.3 lakh km of roads connecting 4 lakh towns & villages and takes you to around 10 lakh points of interest like cinema halls, restaurants, petrol pumps etc," the company said in a statement, describing the device that it is pitching to young professionals, business travellers and women. ...
